

November 2022

Dear Parents and Carers,

As per previous correspondence, Year 7, 8 and 9 students will be sitting knowledge check assessments, week commencing Monday 28th November.

The assessments are 1hr 10minutes long and will take place in our exam hall. The assessments will test students' knowledge on the English, maths and science curriculum taught so far this academic year. The question format is multiple choice. Please see below the schedule of when these will take place:

- Year 7 – Monday 28th November 11.30am
- Year 8- Monday 28th November 9am
- Year 9 – Tuesday 29th November 9am

To support students in their preparation for these assessments, could we please ask that you encourage them to learn the content specifically in the knowledge organiser sent home previously. Regular testing and quizzing of this knowledge will improve confidence and help them to commit the knowledge to memory.

Students need to come organised with the correct equipment for this assessment. Basic equipment includes; black pens, pencils, a ruler, eraser and sharpener.

Excellent attendance and punctuality are required. Students who are absent will be required to complete this assessment at another time, on their return to school.

Should you have any questions please contact Danielle.Clayfield@castlerock.org.uk

Kind regards

Mrs Clayfield
Assistant Headteacher
