

**THE CASTLE ROCK
SCHOOL**

Lionheart Educational Trust

Welcome to the Year 9 Options page.

There are links on the side of the page to our Options booklet which should contain all of the information you need to help with your choices.

There is also step by step instructions on how to complete the online form.

If you are logging onto the options page for the first time, students must access their school email first and follow the link they have been sent. Following this, just click on the link below:

The deadline for the option form to be completed is Friday 20th January. Until this date, the form can be changed as often as you like. At the end of Friday 20th January, the entries will be locked and the process of allocating places to students will begin. Please note that if the deadline is not met, it is likely that your child will not be able to receive their first-choice subjects. Additionally, completing the form early does not guarantee choices as it is not first come first served. It is preferable that students take time and consider their choices before entering their subjects. Once the course has started in September, we will try to accommodate changes within the first four weeks of term, class size allowing. As a significant amount of core knowledge is delivered at the start of Year 10, transfers after this date will not be possible.
